When you play a song while qualifying for an Event, it will become a Master Event. Every note will be hidden, requiring you to play the entire setlist by

ENTER SELECT Esc BACK A AMP SPACE MAIN MENU

TAB GUITAR BASS

Not able to use in RS 2014 Remastered anymore. On other platforms it works fine in RS 2014 RM, but there is a problem with licensing that apparently does not allow it to be used in the new game. It won't allow a review without a recommendation, so, yes I would recommend, but don't expect it to be usable in the newer game. There should be a more explicit warning.
